FAMILY EXPERIENCE

THE WORLD'S LARGEST TITANIC MUSEUM ATTRACTION

Expect to see *Titanic* in a whole new light. Unlike traveling exhibits, *Titanic* Pigeon Forge is a permanent two-story museum attraction shaped like *Titanic* herself. This astounding signature building is built half-scale to the original. Towering 100 feet above the Parkway, it holds 400 priceless artifacts in 20 galleries. The structure is anchored in water to create the illusion of *Titanic* at sea, and the 2 hour self-guided tour is designed to give guests the sensation of being an original passenger on *Titanic*'s 1912 maiden voyage.

Real People, Real Stories

At the World's Largest *Titanic* Museum Attraction, you'll come to know real passengers through their stories, personal memorabilia, photos, cards and letters. Everything on display once belonged to a *Titanic* passenger or crew member and were either taken off the ship at the time of the sinking or were found floating in the debris field.

Titanic Museum Attraction in Pigeon Forge is a celebration of the ship, passengers and crew! It is said, the best way to respect and honor those who gave their lives is to simply tell their stories.
