

# CIRCLE G RANCH ADVENTURES

Circle G Ranch is a 105 acre, 3 mile drive - thru exotic animal park with many adventures to choose from. Drive your own vehicle through the park or rent a jeep. All the animals will come right up to your car for an up close, personal experience. Our animals are extremely friendly and gentle. Feeding zebra, emus, deer, etc. is not something you can do at your regular zoo. We have over 500 exotic animals that includes 40 different species that coexist and roam freely together. Here, we encourage that you engage and

touch our animals rather than stand behind fences and watch. Our pride and joy is our Camel Safari. Our Camel Safari is a trail ride, that is a guided tour through our animal park. So while riding a camel you are viewing all the animals in our park, in a natural setting. It is truly a wild African safari.

*"We are the only one in the country of it's kind and caught the attention of The Travel Channel for coverage as a "unique experience and travel destination".*
